SUMMARY OF QUALIFICATIONS

An **enthusiastic team** player with over 10 years of **production** experience, working as a Producer/ Production Manager for various companies. This has been a busy, proactive role working on a range of shoots. Having worked on a variety of productions, from Commercials to Children's programmes with the BBC, all have required **excellent communication, creativity and organisational skills**, along with the ability to balance a number of competing priorities.

I have worked with some of the top Directors and Production Companies in the Industry and worked on productions with budgets of over a million pounds.

This and previous experiences demonstrate an ability to:

Communicate effectively

Organise shoots to a high standard, including both logistics and correspondence with client/ Label.

Manage, co-ordinate and produce a team/crew, both on set, in pre-production and post-production.

Work well to deadlines, both as part of a team and on an individual basis.

Problem solve within high pressure situations, such as, tightly scheduled shoots.
